Experience

○ 2018-2020

GROWING FORWARD TOGETHER PROJECT

I participated in the Growing Forward Together project. The purpose of this project was to teach English in a rural school. As a project member, I would plan meetings to discuss teaching strategies and personally teach the students.

○ 2018 - 2020

Community Service

I participated in a community service project supporting underprivileged children with language skills.

○ 2019-2020

Tutoring

I tutored an elementary school student in English. As the tutoring was separate from their school curriculum, the tutoring included planning lessons and materials.

About

With teaching experience, I excel in interpersonal communication and can adeptly manage diverse individuals. My collaborative nature shines through numerous group projects where I frequently assumed leadership roles. I thrive in team environments and derive satisfaction from collective achievement.
